

CHIROPRACTIC

We are very pleased to announce that Dr. H. F. Wilson, Chiropractor, will join us May 1st.

Our business has exceeded our limits, therefore we have invited Dr. Wilson to be an associate in our practice. He is a 3-years Palmer School Chiropractor and also an expert in X-ray work of the spine. We appreciate his joining us.

Owing to our very large office practice we have been able to respond to only the very urgent home calls. Dr. Wilson will devote part of his time to home calls, and take charge of all of our X-ray work.

All difficult cases will receive our joint consultation and X-ray examination. We feel three heads are better than one. Our aim is to get you better. Our patients get well, ask them.
